### PROFILE:

With over twenty years of experience in graphic and multimedia design, I have the experience to drive vision. The fast pace changing markets of today require creative design that is multifaceted. I am adaptive with strong communication skills and the ability to move effectively to and through target goals.

### WORK:

- 2018** ● **Freelance Multimedia Designer**  
Creative consulting for clients with a variety of needs. Print, Web and social media along with branding, marketing and video.
- 2006** ● **Senior Instructional Designer and Consultant, Learning Solutions: Hospital Corporation of America**  
Branding, script writing, storyboard design & development, audio video production and final development for a user base of over 100K users.
- 2003** ● **Computer Specialist, Program Training Manager**  
Management and scheduling of 100+ class and instructors, developing curriculums as well as teaching all software classes.
- 1994** ● **Bachelor of Art, Graphic Design**  
Louisiana Tech University
